Trail ride raises money for crippled children

Snowmobile enthusiasts will have an opportunity this weekend to help crippled children throughout Ontario as the Rotary Club of Minden presents its annual Snowarama for Timmy.

Held in conjunction with the Easter Seal Society, the local ride is one of a number being held across the province this winter. Participants gather pledges based on the number of kilometres travelled. Then, this Saturday, the snowmobilers head out on the trail to complete their ride and raise funds for the charity.

As in the past, this year's trail is 100 kilometres in length. Registration takes place at the Minden arena between 7 a.m. and 11 p.m. The trails have been signed and organizers have chosen dry land trails as much as possible to avoid any problems associated with slushy lakes. In addition to Rotary Club members who will man the registration and various checkpoints on the route, the club will have members stationed at roadcrossing points to help ensure participants' safety.

The circular route brings the snowmobilers back to the Minden arena where they will receive a hot meal in appreciation for their successful completion of the ride. In addition, the snowmobilers will receive a free tank of gasoline courtesy of Shell Canada, Sid Stamp Fuels Ltd., Minden Shell, Moore Lake Marine and Fosters General Store.

Snowmobilers wishing to take part in the 1988 Snowarama should contact Peter Bennett at 286-2919 or Jerry Rome at 286-2991.

The chimney was all that was left standing after fire razed the home of Murray Burton of Haliburton village last Wednesday morning.

Arson ruled out

Fire levels area home

Arson has been ruled out as the cause of an early-morning fire that leveled the home of Murray Burton on Lakeshore road in Haliburton Village last Wednesday.

Dysart Fire Chief Mike Stinson says the fire obviously started from within the house, which eliminates the possibility of this being some sort of vendetta. Just two weeks earlier, Burton's business, Haliburton Machine Shop and Manufacturing, was the fuel of another major fire.

Stinson said the fire department responded to a call just after midnight, and when they arrived at the house in the east end of the village, the fire was going strong.

A number of possible causes of the fire, which caused an estimated \$150,000 damage, are being investigated. However, Stinson says insurance investigators have witnessed the ruins and are satisfied that arson is not the cause.

Firefighters were on the scene from 12:15 a.m. until about 4:30 a.m., pumping water onto the inferno. Chances of saving the building were slim since the floors inside the building were burned out and it was too risky to enter.

The Burtons were at home when the fire broke out, but were able to get out in time. The entire house, valued at about \$100,000, was destroyed. Only the foundation and a chimney were left standing the next day.

This fire comes two weeks to the day after the Burtons lost their machine shop in the heart of the village to flames. The value of that loss is still being determined.

Wednesday's blaze is the latest in a string of fires that have plagued the county this winter. Other major fires have claimed

homes and businesses in Lochlin, Tory Hill, Minden and Haliburton Villages.

Luck runs out

Patrick Pealow's luck ran out when he cashed in his winning lottery ticket.

Pealow, 18, of Haliburton, was charged with possession of stolen property, possession of a dangerous weapon and carrying a concealed weapon soon after cashing a stolen Lucky Millions Sweeps ticket at a variety store in Haliburton Village on January 30.

The Mike's Milk store in Haliburton had been broken into prior to opening that morning. Stolen was a quantity of cigarettes, and lottery

tickets.

Provincial Police notified all the area lottery centres of the theft and were soon informed that a person had just cashed a Lucky Million Sweeps ticket.

As a result of this information, police arrested Pealow, who was carrying a large concealed kitchen knife at the time of the arrest.

Pealow was being held in custody until his bail hearing last Monday in Lindsay.

OPP Constable Brian Sachs investigated.

Redmen 6 - 0 win boosts team's chances for playoff berth

The HHSS Redmen boosted their chances of earning a playoff berth last Wednesday as they posted an impressive 6-0 win over the rival Kenner Rams at home.

Prior to Wednesday's game, the Redmen were trailing the Rams by one game in the battle for the fourth and final playoff position. Earlier in the week, the Redmen upset

the third-place St. Peter's team 6-3, and the winning spirit carried them into Wednesday's game with Kenner.

Jaro Cooper paved the way to Wednesday's win with two goals while Erin Nicholls notched one goal and three assists. Tom McLeod, Mike Blake and Drew Mitchell each scored once.

The Redmen wind up

the regular schedule with three more games. Tomorrow they face a rematch with St. Peters in Peterborough at 3:45 p.m. Their final home game is slated for Wednesday at 7:15 p.m. against Lakefield. And on February 17, they are back on the road to challenge the first-place Campbellford squad at 1:45 p.m.

Rotary: serving needs for 83 years

by Gil Scott

Rotary International - what does it mean?

Alright now, stand up out there those of you who have had your 83rd birthday! As of February 23, 1988, a great organization in our midst will celebrate birthday 83. It's Rotary or more correctly Rotary International.

Many of you reading this will likely have heard of Rotary activities and

participated - Bingo, Summer Carnival, Snowarama, Skatathon or Children's Christmas films. The primary concern of Minden Rotary has always been and will continue to be to help our community and its resident's projects and needs. Rotary is vitally concerned about our needs for expanded services at our Minden Hospital.

For this month of February, Rotary Interna-

tional has designated it as World Understanding Month, a time to focus attention on ways which Rotary can bring peace through international service and goodwill. Rotarians in Minden (look around and you will find us in different jobs, careers and various community support groups) are currently committed to the eradication of Polio and prevention of other vaccine preventable

diseases in developing countries. Through efforts of Rotarians throughout the world to raise a minimum of 120 million U.S. dollars, we have named our program Polio Plus and Minden's contributions of over \$12,000 has more than half been collected.

Another Rotary program to assist all of us to a better awareness of World Understanding is our Exchange Student Pro-

gram which invites student candidates from the Minden area to be selected to visit other countries for a school year to promote this very idea. In exchange, of course, other countries send us their able representatives.

Presently, Minden is hosting Thierry Mignon, a student from Belgium and has sponsored Tina Hie to Australia. This coming year we don't know which

country Misti Campbell will be assigned, nor do we

know our in-coming student.

Nevertheless, you see what can be done with regard to World Under-

standing by Student Exchange Programs and Polio Plus campaigns, as well as community needs by Rotarians.

January weather

by Phil Graham

	C	F
Average high	-3.8	25.1
Average low	-15.0	5.0
Average for January	-9.4	15.0
Average for last January	-8.1	17.4
Highest temperature January 31	8.0	46.4
Lowest temperature January 7	-36.0	-32.8
Snowfall	49 cm	19.2 in.
Rainfall	43 mm	1.6 in.
Total precipitation	92.6 mm	3.6 in.
Total snowfall to January 31	150 cm	59 in.
Days with snow or rain	14	
Days mostly sunny	10	
Snow on ground January 31	21 cm	8.2 in.
Snow on ground January 31/87	34 cm	13.3 in.

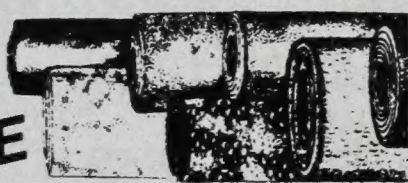

January was a fairly pleasant month. More snow and rain than last January, some very cold days, some quite mild days, amounting to two January thaws. The average temperature was 1.3 degrees (2.4 F) warmer than last January.

Trivia: Only twice in the past 150 years (February 1875 and 1934) Lake Ontario froze across enough to enable travel on the surface between Toronto and Rochester N.Y.

In severe winters Lake Ontario becomes less than one-quarter ice covered but even in mild winters Lake Erie freezes over.

In Toronto only one January in 148 years was without a January thaw.

Yamafest: January 19, 20, 21

Snow brings high hopes

All the snow that has fallen over Haliburton County may seem like a curse to some. But for the organizers of Yamafest '88, which comes to Haliburton Village next weekend, it is a blessing.

For some reason, the county has enjoyed more snow this winter than any other part of southern Ontario. And since a good supply of the white stuff is needed for snowmobiling, Yamafest organizers are banking on a large turnout of snowmobilers for this huge event.

Although this is not the first Yamafest - one was held in Forester Falls last winter - this will be the first

time for it to be staged in Haliburton Village. The three-day snowmobile rodeo and winter festival replaces the traditional winter carnival.

Last Thursday, members of the media had a sneak preview of some of the action that will take place next weekend. A reception was held at the Locarno Resort and people were invited to participate in a variety of the rodeo events.

Steve Wilcox, of Spectra Aviation, was also providing sight-seeing flights over the county so people could get a birds-eye view of the HCSA trails and of Walling's

Field which will be the centre of activities for this weekend's festival. Weather permitting, Wilcox will be providing flights all weekend.

Eric Edwards, owner of Shamrock Service Centre, and the local organizer of the festival, is setting his sights on drawing between 3,500 and 5,000 people to the area for this huge extravaganza. He also hopes it will become an annual event, with the number of participants growing to about 20,000 by the fifth year. If this dream comes true, Yamafest will be the largest snowmobile festival in the province.

The Festival is sponsor-

ed by Yamaha Motor Canada, with the help of a promotional grant from the Ministry of Tourism and Recreation. However, there is also a great deal of community involvement in getting this event off the ground.

The Haliburton County Snowmobile Association is opening its huge network of trails to participants. The Rotary Club is putting on a pancake breakfast at the Legion Saturday. The Rails' End Gallery will be having an arts and crafts show throughout the weekend. The Legion will be hosting a darts tournament. And all the proceeds from the festival will be

split between the Haliburton Hospital Expansion fund and Easter Seals.

One of the great things about this festival is you do not even have to own a snowmachine to take part in the activities. Yamaha will be providing about 100 demonstration machines, and people will be welcome to take them out for a ride or join in the rodeo events.

To test the skills of the drivers, there will be 13 challenging rodeo events being run, both on Walling's Field and on Head Lake. These events look easy enough but looks are deceiving.

One such event that drivers tried on Thursday was the inner-tube obstacle course. The idea is to push an inner-tube through the course with the sled's skis. If that was not hard enough, some drivers tried running the course blindfolded, relying on a passenger to navigate them around the obstacles.

The festival opens next Friday with registration at Shamrock Service Centre. That evening will be a concert featuring Blue Rodeo at the Dysart Community Centre.

Saturday's activities start at 7:30 a.m. with the pancake breakfast and wind up with a bonfire and public skating at Rotary Beach. During the day there will also be Ontario Snowmobile Racing Federation races on Walling's Field.

Sunday's events start at 9 a.m. with the first departure on the Haliburton Wildlife Safari. The final event on Sunday is an International Dart Tournament at the Legion.

Yamafest organizers provided a sneak preview of some of the events that will be staged during the February 19, 20, 21 festival in Haliburton village. Eric Edwards, local organizer, gets his directions from a back-seat driver as he navigates the pylons while blindfolded.

Legal delays frustrate council

Lutterworth Township Council is tired of the lengthy delays in obtaining legal guidance from its solicitor and is taking steps to hurry the process along.

At last Thursday's council meeting, a letter was received from Fraser Rogers. This letter was in response to a request made by the township 11 months ago.

From now on, any correspondence with Rogers that requires a reply will be followed up every two weeks with a reminder that the township is still waiting.

In discussions on this lengthy delay, council concluded that a faster response would be unlikely from any lawyers in the county because of the volume of business they are faced with. However, Councillor Lisa Mercer suggested that, if the need arises, the municipality could hire a solicitor from outside the county.

Province to address trade

In an effort to provide basic information of the consequences of a Canada

U.S. free trade agreement, the Ontario Ministry of Agriculture and Food is

offering a series of seminars, including one slated for Lindsay this month.

Agriculture and Food Minister Jack Riddell said, "Farmers have told me they don't understand what the free trade deal will mean to their farming operations and to their incomes. These meetings will provide basic information on the trade agreement so individual farmers can make up their own minds."

Riddell will be discussing the overall impact the trade agreement is

expected to have on the agriculture and food industry during a seminar at the OMAF office in Lindsay on February 24 at 8 p.m.

Bob Seguin, director of the ministry's economics and policy co-ordination branch, will provide explanations as to what each commodity group can expect under the bilateral agreement. His analysis is based on studies by ministry staff and will be followed by a question and answer session.

Board picks new executive

The Haliburton District Real Estate Board held its annual meeting January 28 at Locarno, when a new slate of officers was acclaimed to a term on the board.

Don Fevreau is the new president of the board, and

Ray Wyatt is the vice president. Richard Kinsman is past president and directors are J.O. Jackson, Paul Pilon, Norm Harrison, and Leslie Studholme. Cheryl Proude is the executive officer of the board.

Neighbourliness

Tragedy brings out the best in people. And there is no place where this is more in evidence than right here in Haliburton County.

Over the past few months, numerous families and individuals have faced disaster and hardship of one form or another. However, their load is always made a little lighter by neighbours, friends and the community as a whole as they rally to provide whatever assistance is needed.

This is one of the great advantages to living in a small community. People are always there to help each other out of a jam.

Right now, Haliburton County is experiencing a period of tremendous growth. As we watch our community grow, and enjoy the benefits that come with that growth, let's not forget the community spirit and neighbourliness that continues to make this area outstanding.

Invasion is finally over

by Arthur Black

'Way back in the late '70's, an American newspaper and magazine columnist by the name of Bob Greene looked around and realized that North America was being invaded by aliens. The creatures had infiltrated business, politics, the arts and entertainment - and no one but Bob Greene seemed to be aware of them.

The columnist knew it was his duty to blow the whistle on the monsters, but he needed to brand them, to give them a name that would expose them to the rest of the world. He ran down a list of their characteristics. The beings were youthful ... they dwelled mostly in the cities ... they preferred white collar occupations where they wouldn't get their hands dirty ...

Young. Urban. Professionals.

And thus was born the Yuppie.

Yuppies came in all sizes and colours, but they could most readily be recognized by their slavish devotion to one overriding interest: themselves. Greed was the very lifeblood that chugged through the veins of Yuppies. They firmly believed they deserved to have the best cars, the best clothes, the best jobs, the best condos and the best drugs. Fine wines were favoured. Small, expensive, impossibly snobby restaurants flourished. "Upscale" was the adjective of the day, BMW's were the *voiture* of choice (just until you could afford a Porsche) and television game shows - sort of Basic Training for potential Yuppies - were never more popular. So was a TV show that would have been laughed off the tube a decade earlier: *Lifestyles of the Rich and Famous*, hosted by the toadlike, sycophantic and perfectly monickered Robin Leach.

Yuppies had their pop hymns: *Material Girl*, *Gimme Money*, *Girls Just Wanna Have Fun*. The celluloid heroes that flourished in the Age of the Yuppie were people like Dirty Harry, Rocky, Rambo, Bronson,

letters letters letters

Cameron responds to letter

The following is a letter from Anson, Hindon and Minden Townships Roads Superintendent Clayton Cameron in response to Cecil Rowe's letter of December 10.

Mr. Cecil Rowe,

Dear Sir:

Your letter to Council of December 10, 1987, has been referred to me for reply.

All road complaints come to me. It is my job to resolve or attempt to resolve these complaints.

On November 26th, the Roads Department was short one man for winter operations. This man had been hired but did not start until November 30th. As a

result, I was out on a snowplow and not available to answer my calls.

When I got into the office, (nearly noon on Friday, November 28th), there was a host of calls, all concerning the snowstorm,

one of which was yours. After looking at the calls, most of which had been resolved, I conferred with the Clerk and decided there was no need to answer these calls.

In your case this was

obviously an oversight, and I apologize.

You indicate in your letter that you are a former Transportation Manager.

(more on page 6)

Writer rebuts response

The following is a letter from Cecil Rowe, in response to Townships Roads Superintendent Clayton Cameron's letter of January 21, 1988.

Mr. Clayton Cameron

Dear Sir:

Thank you for the rebuttal to my complaint, and as I intend a copy of mine to be published I feel it only fair to extend yours the same courtesy.

I am not on any personal vendetta against anyone but judging from the number of citizens who spoke to me regarding this subject, I realize there are others who share my concern.

(more on page 6)

Rambo booed by Yuppies

(from page 4)

Chuck Norris - not Yuppies themselves, but people dedicated to the First Principle of Yuppiedom: Me First.

Third World Problems? Yawn. That's what you got for not finishing in the number one slot.

But then ... something happened. Maybe it began when Rock Hudson died of AIDS. Perhaps it started when that coke-tooting cartel of Yuppie brokers got nailed and jailed for crooked trading. It could have been Black Monday, when all those Wall Street bulls got gelded and the whole world's financial fantasy bubble burst.

Most likely it was a combination of all of the above and more, but no matter how you cut it, sometime during the past year or so the Me Decade suddenly lost its crass and shiny driving wheel. Greed isn't in any more and neither is Yuppiedom. That familiar Gucci-shod, Piaget-burdened, red-suspended, sports-car piloting image is

becoming as popular as the Herpes virus.

Not that Yuppies are dead. Not by a long shot. But their expensively manicured grip on our times has been broken. Yuppies are on their way to becoming as relevant as hippies.

And the Yuppies who are left are beginning to turn on their own. A New York movie theatre recently showed an advertisement for an up and coming Rambo flick.

The Yuppie audience booed and jeered every time the slack-jawed visage of Sylvester Stallone filled the screen.

Rambo? Booed?

Sacrilege!

When asked to explain the hostile reaction, the public relations flak for the Rambo movie curled his lip and sneered that the audience was merely "Yuppie swine".

Perfect - we've got Yuppies and Rambo freaks

turning on each other.

Now if we could just convince Hollywood to give us one last, absolutely final Rambo movie - say, *Rambo XXVIII -- The Final Chapter*.

SEE RAMBO ENDURE THE DREADED YUPPIE DEATH OF A THOUSAND CUTS AS RAZOR SHARP AMERICAN EXPRESS GOLD CARDS SHRED HIS FLESH!

THRILL AS RAMBO, ARMED WITH ONLY A ROLLED UP COPY OF THE WALL STREET JOURNAL CLEANS OUT A SUSHIBAR INFESTED WITH A NEST OF FANATICAL COKE-CRAZED INVESTMENT ANALYSTS!

FILMED ON LOCATION IN THE BASEMENT OF BLOOMINGDALES! COSTUMES BY RALPH LAUREN AND JOHNSON'S BABY OIL! ALL SALES FINAL!

As they say in Hollywood: Wotta concept.

Preserving the scenic view

The following is an open letter to the Ontario Minister of Transportation and Communications, The Honourable Ed Fulton.

Dear Mr. Fulton:

As you are aware, the Highlands of Haliburton include some of the most spectacular scenery in the province. Unfortunately, a policy of your ministry is currently responsible for a gross devaluation of an important stretch of scenic beauty and I want to make you aware of the situation and hopefully stimulate some action to reverse this trend.

I am referring specifically to the stretch of Highway 118 between the intersection with the Bobcaygeon Road and the Black River just west of the Muskoka/Haliburton county line. The highway is a relatively recent acquisition by your ministry and, in the history of motorways in the province, is of recent vintage. The highway cuts through a large tract of Crown land, meaning there is little if any evidence of "development" beyond the road itself.

These factors, along with the rugged terrain of the Highlands, means the highway provides an interesting "window" on the natural beauty of the pre-Cambrian Shield portion of the province. Spectacular rock cuts, quiet ponds and marshes, forests of mixed varieties, small streams and fenceless roadsides provide a truly

wilderness visual experience for drivers and passengers on this stretch of Highway 118. These conditions attract abundant wildlife including deer, beaver, foxes and an interesting variety of birds.

The seasons provide an ever-changing backdrop for this natural panorama. This is one of the loveliest stretches to drive in the fall when the hills are aflame

jack's world

by editor & publisher Jack Brezina

with autumn colour. The snow of winter provides a blanket on which the wildlife leave footprints, while spring and summer reveal the rebirth and blossoming of a new year.

This stretch of highway has always been a visual treat to enjoy, giving motorists and their passengers an opportunity to observe the unspoiled beauty of the passing countryside. However, during the past few years, I have noticed an intrusion that has the potential of ruining this window on our wilderness.

I am referring to a number of field advertising signs which have been allowed to proliferate along the

side of the highway. Their presence has detracted from the natural beauty of the area. Indications are that their numbers are growing and will continue to do so until this stretch of Ontario wilderness is lost forever.

In general, I do not object to field advertising signs. This newspaper exists because of advertising. In the past, I have supported the rights of businesses to use this method to convey their message to the travelling public.

However, I believed this stretch of Highway 118 is a special case and that an outright ban would be appropriate because of the unique nature of the highway in question. I suggest that all highway field advertising signs be banned from the stretch of Highway 118 between the Bobcaygeon Road and the Black River, just west of the Muskoka/Haliburton line, and that no new signs be allowed in this stretch. As well, I suggest that those signs currently in place within this stretch be accommodated elsewhere on the same highway as soon as possible.

Mr. Minister, you have an opportunity here to preserve a piece of Ontario's natural beauty, while making it easily accessible, visually, to thousands of motorists who travel this route. To allow further signage to occur would devalue this valuable piece of natural heritage.

ettters letters letters letters letters letter

Roads Committee should resign

Editor:

I would strongly suggest that the Roads Committee of the Municipality of Anson, Hindon and Minden resign en mass as quickly as possible.

They are obviously under the impression that

they were elected to oversee an area known as "Dog Patch".

The members of the Service Clubs in Minden work extremely hard to make our Winter Carnival a success by attracting visitors from many miles away to take part in the many

events offered, only to be completely disgraced by the condition of the Municipal roads.

Were they not aware that 90 per cent of the activities required people to use the Bobcaygeon Road between the bridge and the Fairgrounds?

That section of the road did not bear signs "USE AT OWN RISK" and they will indeed be fortunate if they do not receive claims for cars damaged on that stretch of road.

(We also run the risk of visitors being discouraged

from returning to a town where it is necessary to drive on the sidewalks.)

In view of the fact that this is an election year, I trust that there will be a decided improvement on one of the most used pieces of road in the Municipal-

ity.

Helen D. Burton,
Minden.

P.S. Possibly someone could find a couple of loads of crushed stone to fill the holes for the local taxpayers.

Department can't clean drives

(from page 4)

As such you should be aware that if we stop to clean out your driveway, we must also do every other driveway in the Township.

If this was done it would

take three or four days to open all our roads after a storm. You may be willing to wait that long, but the rest of the ratepayers are not.

You may be familiar with motorized road equipment, but you are not

familiar with snow removal operation or Ministry of Transportation policies which do not allow Municipal equipment on private property.

Also, while on private property, our insurance may be invalidated, and

the employees are not covered by Workmens' Compensation.

You may call the above trying to "justify lack of service beyond the rule book", but we do have our Municipal Policies which must be adhered to.

If you still feel you are not being treated fairly, please contact the Clerk and she will place you on the Agenda of a Council meeting.

Clayton Cameron,
Road Superintendent.

Policies are just guidelines

(from page 4)

There is no quarrel with the fact that a major storm or lack of personnel on any given day, puts a strain on both men and equipment, and generally speaking you do a creditable job keeping the roads open. However, as your statements are misconceptions of what I am trying to put across I will attempt to make my position clear.

First, I am not asking you to stop and clean out my driveway, or to bring men and equipment on private property. As I am sure you are aware the lot line between the road allowance and most properties is several feet beyond the point the plow piles up the snow, so there is no infringement on private property.

Second, you are quite presumptuous stating I know nothing of snow

removal operations, or M.T.C. policies as my former position entailed a close liaison with the ministry for several years.

As far as municipal policies being adhered to, it goes without saying they are really guidelines and not intended to be followed to the letter of the law. In fact it isn't too difficult to find exceptions in almost any operation, and applied with reason and common sense is quite

acceptable.

Now I am coming to what I feel is a reasonable and common sense approach to the problem. When the plow goes by the first or second time, it is understood they get around as quickly as possible. However when the machine comes by again, after people have their driveways cleaned out, why is it so difficult to raise the blade as it goes by, or if the plow has already

put a high barrier of snow and ice, move in a couple of feet (still on the road allowance) and nip it out of the way.

As for getting on Council's agenda, I think I will pass this time as they have already demonstrated they would rather have operations answer for them, so I feel I would just be blowing in the wind.

Cecil Rowe,
Minden.

Rider not a member

Editor:

If Mr. Jay Golden who got lost on Black Lake had purchased a membership in the H.C.S.A., he would have had a map! He was not a member, so was riding illegally. He could have stayed on the groomed trails, and not become lost, as our trails are very well marked, also his friends should not have left him alone. The H.C.S.A. have also approached the O.P.P. to assist in anything like this, but was told no, as they don't have too many calls of that nature. This is one time we could have assisted.

H.C.S.A. member.

Bradford tops in tourney

Bradford was the clear powerhouse squad as they skated their way to three wins and the championship in the novice hockey tournament

held in conjunction with the Minden Winter Carnival.

Bradford scored 16 goals in their three games while allowing only two en

route to the title. They downed Woodville 3-0 in the championship game, forcing the strong Woodville club to settle for the runner-up position.

On the consolation side of the tournament, Fenelon Falls conquered Bobcaygeon 8-2 to win the consolation championship.

The tournament, which ran all day on January 30, started out well for the Minden novices. They opened with a strong 3-1 win over Haliburton to advance to the championship side of the schedule.

Dennis Woods and Dave Raback were the scoring duo for Minden in this game. Woods scored twice and assisted once. Raback notched a goal and an assist.

Haliburton's Joshua Burk was the lone goal scorer for his team.

Minden's win placed them up against the tough Woodville club in the second round of play, while Haliburton advanced to meet Bobcaygeon. Minden fell 2-0 to the eventual championship runners up, while Haliburton dropped a 5-3 game to the consolation runners up.

Haliburton's Joshua Burk scored all three goals for his team in their loss to Bobcaygeon.

The Bradford Novices dominated most of their opponents during a hockey tournament at the Minden arena held in conjunction with the Winter Carnival.

Late goal breaks tie

A goal in the final minute of play boosted the Minden Bantams to a 3-2 win over Bobcaygeon during playoff action on the road last Thursday.

Kyle Hewitt scored with just 42 seconds left in the game to break the 3-3 deadlock. This was the second goal of the night for Hewitt in this very close game.

Bobcaygeon took an early lead in this match-up with a goal in the first and another early in the

second. However, Minden's Wyatt Nesbitt closed the gap a few minutes later, capitalizing on a nice pass from Kent Taylor.

Hewitt evened the count early in the third, but Bobcaygeon went ahead again with one of their own.

Kent Taylor scored at the four-minute mark to regain the tie and Hewitt notched the game winner as the clock ticked down.

Two-car accident

A two-car accident on January 25 resulted in one person injured and a second person charged.

Yvonne Gazell of Eagle Lake was stopped on Hwy. 121 in front of the Shell station when she was struck from behind by William Wulleme of R.R. 1 Haliburton.

Gazell was taken to Haliburton Hospital.

Wulleme has been charged with careless driving.

Provincial Constable Ben Manuge investigated.

ANNOUNCEMENT

SHAWN HAGERMAN, CLU,

has received the National Quality Award presented by the Life Underwriters' Association of Canada in recognition of service to policyholders. Shawn Hagerman is a Charter Life Underwriter with an office in Haliburton. Through the continued support of his many clients throughout the area, Shawn has been able to maintain the high level of service and qualify for these important awards. Your continued support is greatly appreciated.

Bantams win, lose as playoffs begin

After losing two games at home, the Minden Bantams went on the road January 31 to finish the month with an impressive 13 - 1 win over Ops.

The Sunday game was a high scoring one for Minden as Ops filled the penalty box. And with Minden holding a 13 - 3 lead late in the third period, the game had to be stopped when Ops ran out of players.

Darren Sawyer, Jason Scarlett and Kyle Hewitt were the big goal scorers for Minden with three each. Rob Ackerblade added two to the winning effort while Jamie Dollo

and Kent Tyler scored one each.

Derrick Moore manned the net for this win, allowing only three goals.

Bobcaygeon 3, Minden 2

The Minden Bantams lost a close one on January 30 as Bobcaygeon shattered a 2 - 2 tie in the final minute of play in the first period and held on until the end.

Playing on their home ice, Minden took an early lead with a goal by Rob Ackerblade less than four minutes into the game. Kyle Hewitt earned the assist on this goal.

Bobcaygeon came back to even the count, but Minden pulled ahead right off the face off with a goal by Jamie Dollo, assisted by Ackerblade.

Minden's lead did not last, though. Bobcaygeon scored twice more in the first stanza and maintained their lead through the final two periods.

Manvers 6, Minden 2

The Minden Bantams had their hands full when Manvers came to town on January 23 and outscored the locals six goals to two.

Manvers notched their first goal two minutes into the game and held onto

their one-goal lead throughout most of the first period. Minden's Wyatt Nesbitt evened the count near the end of the period assisted by Darren Sawyer.

Manvers regained their lead with another early goal in the second frame, and went up by two a few minutes later. Kyle Hewitt narrowed the gap with an unassisted goal, but that turned out to be Minden's final marker. Manvers scored once more in the second frame and added another two in the third to mount the 6 - 2 win.

What's new with your Chamber

The Board of Directors of the Chamber of Commerce held their January meeting in Glamorgan Municipal Office.

Congratulations to the Municipality of Glamorgan on their very attractive new building. Our thanks to their Reeve, Robert McCausland (now our County Warden) and to their Clerk-Treasurer Elva Bates for their hospitality. Your new Board of

Directors, having struck the various committees, are actively planning projects for the coming year. The Winter Map estimates for next year are being prepared. Proposals will be requested very soon. Significant changes are being considered, cost permitting.

Please call your Chamber office to advise of your participation in the Spring Promotional Shows. The

Show package presents an opportunity for everyone to participate. While it is more appealing for some locations to have preferences, in terms of target marketing, it is our objective to have everyone represented at every show, thereby really showing the world out there the great variety of accommodations and activities available in Haliburton County.

Work is progressing in obtaining a new booth to better display our beautiful Haliburton Highlands. Check with the Chamber office if you think you have something, (historical artifacts etc.) which you would be willing to loan to the Chamber, for display.

Hartwick stopped cold

The reason for that glazed look in Bill Dennison's eyes all last week is shell shock.

For two gruelling hours last Monday, Dennison faced a steady onslaught of rubber as he manned the net for Hartwick Const. action during the team's embarrassing loss to The Times in the first round of playoff action in men's recreational league.

Hartwick, which displayed some promising signs in regular schedule play accepted a 22 - 8 - that's right, 22 - 8 - loss in their first playoff challenge.

Halls Insurance, which finished the regular season in first place, also won its opening game of the round-robin playoffs with a close 7 - 5 win over the Rockcliffe. Vasey Real Estate opened the playoffs on the winning side by doubling Home Hardware 10 - 5.

Surprising win

The Times lopsided victory is a surprising turn of events. Throughout the season, this team was notable for its defensive play. Ironically, Hartwick had the most capable scoring squad in scheduled play. This impressive win will boost The Times' spirit as the team heads into the next round of playoffs. And for Hartwick, it remains to be seen, whether this club can recover from this shaky start.

All but two of The Times skaters had a hand in the scoring. Jeff Howe bagged six, Sid MacKeigan scored five, Andy Campbell and Frazer Rogers each scored two, and singles went to John McAdam, Roger Schandlen, Dave Dollo, Ted Vasey and Tim Veniza.

Larry Sawyer topped the scoring for Hartwick with a hat-trick. Brian Shaw and Jim Crawford each netted two, while Murry Beetlestone scored one.

Halls 7, Rockcliffe 5

The Rockcliffe put in a good showing against Halls in the opening game of the night, but two late goals by Halls' John Barkwell gave his team the edge.

Barkwell was the only Halls skater to notch two goals in this tight match. Singles were scored by Dave Rogers, Rod Finlay, Tim George, Kim Colliss and Jason Stamp.

Bernie Upton kept the

Rockcliffe in the game with four goals, while Merv Mintz added the fifth.

Vasey 10, Home 5

With three quick goals in the first frame, it looked as though Home was poised to upset Vasey during the second game of

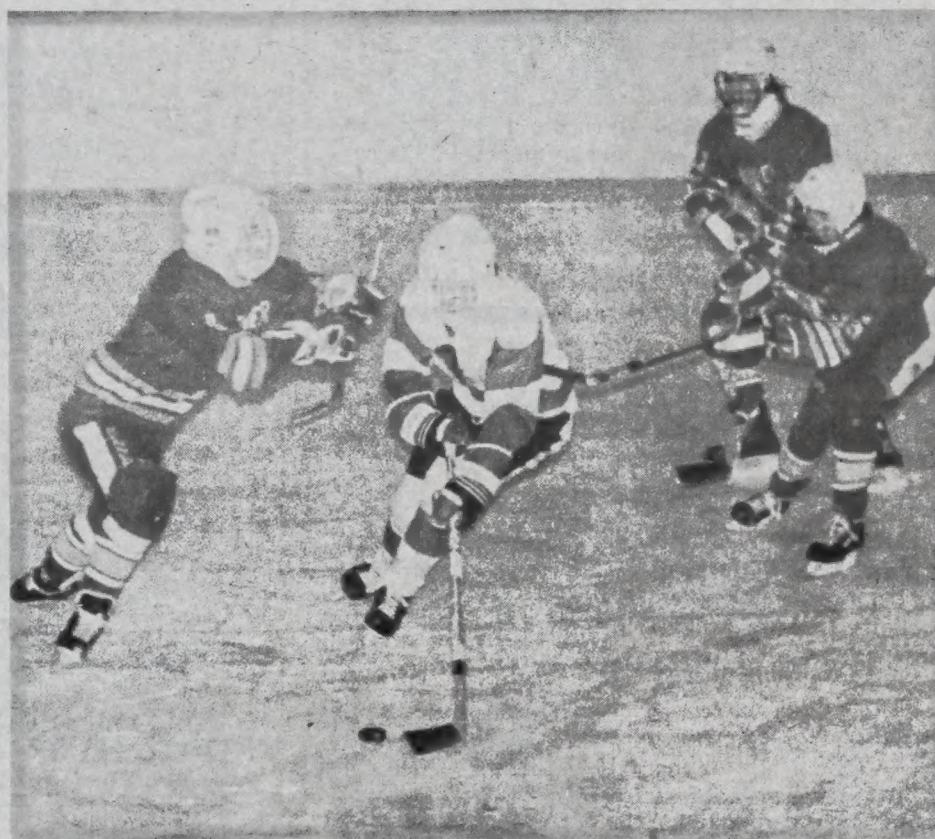

the night Monday.

However, the upset was not to be. Vasey rallied back with five of their own before the end of the first and built their lead to 8 - 3 before Home found another marker in the third.

Vasey's Kevin Hamil-

ton, Dean Hewitt and Steve Crowe and Norm Berry each scored two in the winning effort. Daryl Ward and Ed Gibbons added one each to the tally.

Scoring for Home were Gary Nelson (2), Scott Hamilton, Doug Schell and Carl Northey.

The HHSS Redmen met up with some chippy play from the Kenner Rams as the teams battled it out in Dysart arena last Wednesday. The Redmen earned a 6-0 win which improves their chances of making it into playoffs.

Franklin returned as chairman

Jane Franklin, Deputy-Reeve of the Township of Glamorgan has been returned to the position of Chairman with the Haliburton County Library Board for 1988. During the same meeting held last Tuesday, Ms. Franklin was also re-elected as the board's representative to the OLS-Trent Board which meets in Richmond Hill.

Her previous experience in both positions will prove to be invaluable in the future development of public library services within Trent in general and the County in particular.

Franklin will be active in deliberations concerning the Southern Study sponsored by the Government of Ontario (which will have

its own long-range implications for public library service) and the development of a future relationship between the TRES-NET computer system currently in use in the

county and the OPLIN (Ontario Public Libraries Information Network) being used in other areas.

New board members include Reeve Mack Peters (Cardiff), Warden Bob

McCausland and Patricia Black (Dorset) who join returning trustees Deputy-Reeve Elvin Johnson (Stanhope), Jane Part-ridge (Cardiff) and Holly Sisson (Dysart). Also re-

elected as Vice-Chairman was Holly Sisson. Board members are

appointed by County Council on an annual basis.

Little Kristen Colliss, left, was awed by the bizarre costumes worn by HHSS Stage Band during a concert held Thursday afternoon at Archie Stouffer Elementary School. The high school Concert and Stage bands entertained the public school students with various selections and the youngsters loved it!

Life beneath the snow

outdoors

Federation of Ontario Naturalists

In the bitter cold of January, every living thing seems stilled and the only sound is the whistling of the wind. But there in the snow at the base of a tree and around an erupting clump of dried grass there are intricate patterns of tiny tracks.

In the field a kestrel rises, flapping deliberately, with a small form clutched in its talons. Under a large hemlock there are small pellets of what looks like compressed steel wool. Pried apart, one pellet reveals a

tiny skull and bones, all that remains of an owl's meal.

All these signs indicate that at least one form of life teems under this apparently sterile white cover. This is the meadow vole, which, although plentiful throughout North America, is seldom seen. There are, however, many clues to its presence. A hole so perfect it might have been bored by an auger, and a slight hump in the surface of the snow may indicate a vole tunnel. If the matted grass in a meadow

is exposed by wind and sun there will be similar holes. Further investigation would reveal a network of tunnels. On the snow's surface regular patterns of tracks and scatterings of tiny elongated spheres of scat give away their presence. Around the base of saplings there may be the circles of bark gnawed away by tiny, sharp teeth.

Since the vole has a comfortable network of tunnels in the vegetation and under the snow, it is active all winter. Omnivorous, it will eat leaves, grass stalks, seeds, fruit, carrion, insect larvae and bark. In fact, it will on occasion reingest its own feces to absorb more vitamins and

minerals. These feces are usually lighter in colour and softer than the final hard little oval pellets of dark scat that stand out on the snow's surface. This practice of reingesting feces, common also to other creatures like beaver whose diet is high in cellulose, is called coprophagy.

If you are persistent in your inspection of vole runways you may uncover the nest inside a mound of grass, a little cluster of fine grasses woven into a sphere about 6 inches in diameter. As well as being nurseries for the young, these dens are the voles' shelters between periods of frenetic feeding activity.

If the snow cover is good, the mice may breed throughout the winter, the female giving birth to a litter of from 1 to 9.

New plow is likely

Lutterworth Township will see a new snow plow clearing the roads next winter if Ministry of Transportation funding for the purchase can be assured.

At last Thursday's meeting, council authorized the clerk to apply for an \$80,000 subsidy from the ministry for purchase of a six-ton truck and equip-

ment. Council has already discussed this matter with Andy Mintz from the ministry and feels it has a good chance of getting the funding.

Mr. & Mrs. Alan Northey

Northey - Bird

The wedding has taken place of Penny Bird and Alan Northey at PineStone Inn (Ballroom) with Rev. John Smith officiating.

The bride is the daughter of Mr. and Mrs. Grenville Bird of Haliburton, and the groom is the son of Mr. and Mrs. Les Northey of Minden.

Given in marriage by her father, the bride wore a tuxedo style bodice, fitted to the waist, accented with hand sewn pearl design on a flowery lace net, sewn onto the silk bodice. The full flowering silk skirt was overlapped in layers of taffeta netting. The back was sheer lace with a large

white silk bow accenting the back and the sleeves were sheer lace with silk bows accenting the cuffs.

Linda Mintz was matron of honour, and the bridesmaids were Barb Barker, Lori Roberts and Shawna Atkinson.

The groom wore a silver grey tuxedo. Allan Kellett was best man, and the ushers were Barry Ward, Jim Bird, and Carl Northey.

The flower girl was Kori Roberts, and the ring bearer was Brian Montanaro.

A reception was held at Haliburton Royal Canadian Legion.

The couple is now residing in Sarnia.

Are there new ways to finance benefit plans? Ask Ross Freer, or your agent.

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File #RA-87-12)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Mountain Lake, lying in front of Lot 7, Concession 8, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on Thursday, February 25th, 1988, at the hour of 7:30 p.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows:-

Part of the original allowance for road along the shore of Mountain Lake in front of Lot 7, Concession 8, in the Township of Minden, in the County of Haliburton, designated as Part 1 on a Preliminary Plan of Survey by Dearden, Stanton, Stones and Strongman Ltd., Ontario Land Surveyors, dated October 20, 1987.

The plan of survey is available for inspection in the Municipal Office, Minden, Ontario, during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 12th day of January, 1988.

(Mrs.) Mary Mysyk, A.M.C.T.,
Clerk-Treasurer,
P.O. Box 98,
Minden, Ontario.

Hi there! Hope you all survived Friday's much-needed P.A. Day. It's been a long time. The school is back on its feet with various activities going on, including volleyball and squash. Many in our school will be participating in Yamafest '88, a series of competitions and events on snowmobiles to be held February 19 - 21 for the Easter Seal Society. Student tickets cost \$10, and a dance featuring Blue Rodeo costs \$2 for participants and \$7 for non-participants on Friday the 19th. More details are available at school or at the Haliburton Highlands Chamber of Commerce.

Yearbooks are coming on sale February 15 - 19. Don't forget to order one. And speaking of school "memorabilia", high

school hooded sweatshirts will be on sale until Thursday at a cost of \$28. Order now!

On February 3rd, a fire claimed the house of some good friends of ours, Beth and Andrea Burton, and their family. We on the "Voices" staff would like to extend our sympathy for the family and our hopes of better luck in the future.

Word has it that reports will come out on the 19th. Better prepare now for the worst, and start practicing excuses for all those marks! Parent's night will be the following Tuesday we believe. Life will be nice once February is over.

Better pen-off here. The math homework after exams is mind-blowing, so we'd better start it. Happy Valentine's Day, folks.

Until we meet again...

Kennel call

We're a pair of real beauties and we are ready and willing to be trained now. Someone abandoned my sister and myself (I'm a boy) so we are extra eager to be great pals for somebody. The people at the Animal Clinic say we are about 4 months. When we grow up we are going to be big and furry. I think we are part Collie and part Husky. Everyone at the vet's loves us, so maybe someone else can love us forever.

Call the Minden Animal Clinic at 286-2919 and maybe we can come home with you!

NOTICE

IN THE MATTER OF THE Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up and close to
vehicular traffic a presently travelled Town-
ship Road known as Orde Street.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) (a) of the Municipal Act, R.S.O.
1980, as amended, that the Council of the
Corporation of the Townships of Anson,
Hindon and Minden proposes to consider and
if deemed advisable, to pass at its regular
meeting to be held in the Municipal Council
Chambers on Milne Street, Minden, Ontario,
on March 10, 1988, at the hour of 10:00 a.m., a
By-law to stop up and close to vehicular
traffic, pursuant to Section 298 (10), The
Municipal Act, R.S.O. 1980, the presently
travelled Township Road more particularly
described as follows:

Part of the Original Road Allowance along the
North shore of the Gull River, flowing through
Lot 3, Concession A, Township of Anson,
County of Haliburton, being Part 1 on Plan
19R-3992, being the entrance of Orde Street on
Bobcaygeon Road at the Northwest corner of
Sunnybrook Bridge.

AND FURTHER TAKE NOTICE that before
passing the said By-law at the meeting to be
held at the time and place above-mentioned,
the Council shall then and there hear in person
or by his or her counsel, solicitor or agent, any
person who claims that his or her land will be
prejudicially affected by the said By-law and
who applies to be heard.

DATED at the Township of Minden, this 29th
day of January, 1988.

Gallery stays open all month

by Virginia Muenzel

I could hardly believe it when I woke up Sunday morning and had to turn the calendar page already. Probably because it's hard to tell by looking out the window just what month it is, what with our winter spring weather.

But there is another difference about this January and February. The Rails' End Gallery is remaining open this year. There are shows, meetings and especially nice Wednesday night movies. February 3, the Gallery is showing "Emily Carr: Growing Pains and Grandma's Bottle Village". On February 10, you can see "Emily Carr: Little Old Lady On The Edge of Nowhere and Anonymous Was A Woman." February 24 is Margaret Laurence night. "First Lady of Manawaka" and "A Bird In The House" will be featured. The films begin at 7 p.m.

In conjunction with the show "Words and Images" which runs from February 13 to March 12, some of the local writers have agreed to do another reading. We were so pleased with the reception we received last August, and hope to have another enthusiastic audience. The date is March 2, at 7 p.m.

Closer at hand, on February 20, the Rails' End Gallery will be open for the celebration of Heritage Day in Haliburton. After its visits to Stedmans Mall and Bank's General Store, the Heritage tour will arrive at the Gallery around 3:30 p.m. There will be a demonstration of log cutting by Champion log cutter Earle (Buck) Cowan. Displays of historic toys and folk art and demonstrations of traditional crafts by Wendy Bateman, Claire McLeod and Maggie McClure.

The "Yamafest" will also be going on that weekend. The Guild has planned to offer hot beverages along with having a small portion "Marvelous Muffin Sale" for all those cold walkers and snowmobilers.

Finally, a reminder for all Guild members to get their entries in for the Celebration '88 Best of Members Show. Your entries must be at the gallery no later than March 12. This year several prizes will be awarded. The Ethel Curry Award for Excellence in memory of Pat Irwin will

be given to the artist or craftsperson who is a full time resident of Haliburton County and whose work is judged for over all excellence. The Eagle Lake Women Award for New Craftsperson will be

awarded to a guild member working in a new medium for three years or less who shows promising potential. The Joan and Peter Hoad Award will be given to the artist or craftsperson, working in any medium,

who demonstrates originality of design, presentation or technique. There is no residency requirement for the last two awards.

All works will be critiqued and the recipients of the above awards will be

selected by a three member jury composed of Ankaret Dean, Rod Malham, and Alice Don. The show opens on March 17 at 7:30.

The guest speaker will be the Honourable Bill Scott, MP for Victoria - Haliburton.

Did you know?

by Doreen Hawman

Have you received in the mail your personalized 1987 Income Tax Return and Guide? If not you will find a supply at the Haliburton County Information Centre or your local Post Office.

Just by filing and completing Schedule 11, a family with a net income not exceeding \$1,500.00 could qualify for a credit of up to \$100.00. The most common error is that we are over anxious to complete the return and do not include every item that is necessary, such as a T5 slip which comes in the mail from the bank, giving the total of all interest earned throughout the year.

Remember, this does not have to be mailed to you until the end of February, so you must wait until it arrives. The same applies to T4's sent out by employers. You will need a T4A(P) slip for Canada Pension, a T4 slip

for Old Age Security, if you are receiving any other pensions you must have a statement for these. You will receive a TFAI statement for any Family Allowance paid to you during 1987.

Gather together all receipts for dental work, charitable donations or any other tax deductible items, only a percentage of your medical expenses is applicable. Have your 1986 Return at hand so you may refer to it for information.

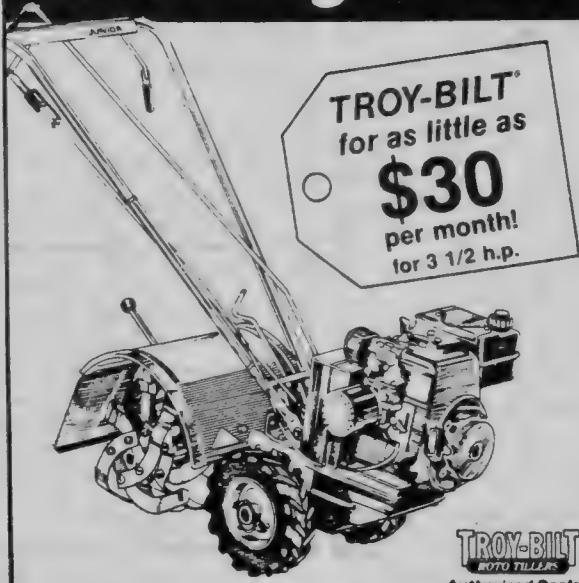

The Haliburton County Information Centre is asking for Volunteers who are willing to take time to help others with their returns, to attend a Tax Clinic February 15, 1988 at 1:30 p.m., in the hall of St. Anthony's Roman Catholic Church, Victoria St., Haliburton.

Please consider being a Volunteer, you will find it a very rewarding experience as well as gaining

knowledge you will use when completing your own return. For further information call the Haliburton County Information Centre in Haliburton, 457-2733. For the Minden area, on Tuesday's call 286-4100.

around the county town

by Jeanne Sears. Call 286-1538

Several people at Hyland Crest are having birthdays with good wishes going to Marjorie Shuyler and Ruby Lewis on February 11 and Christena Precoor on February 17th.

Douglas Cross from Ottawa spent the weekend with his parents, Mr. and Mrs. B. Cross and Laura.

Sincere sympathy goes to the family and friends of the late Edith LaRue whose funeral was last week.

Winners at the Tuesday Luncheon Euchres February 2nd at the Fireside were - door prize - Jack Weekes, lone hands - Hilda Harrison and others Mitzi Alzner, Nellie King and Eleanor Pye. Next day there is February 16 and call 286-2733 or 286-2782 for reservations.

Winter Carnival you say, it was more like a rain-out with wet and puddles everywhere and the parade was fairly good. Not much outdoor sports but all enjoyed the inside ones. Not much like the first one Wynn and I planned way

back when.

Ethel and Jack Cowan of Phelpston and Cora Hewitt of Elmvalle visited relatives and friends several days last week.

Recently Carolynn Hamer of Missauga enjoyed a visit with her mother, Mrs. L. Coburn.

Garnet, Jeffrey and Jason Moore of Bramalea visited with Mr. and Mrs., Bill Moore and the Earl Birds carnival time.

Winners in the Lions Club Hockey Pool included Leon Wright and Sid MacKeigan.

Marjorie Wynne is away in Toronto as her grandson is very ill, there, hope he is better soon.

Others under the weather include Freda Harrison, Yvonne Newell and Roger Yearwood.

Guests over the weekend with Mr. and Mrs. Joe Dollo were Mr. and Mrs., Carl Strauss of Milbrook.

Lil Porter had as her

guest grandchildren Mr. and Mrs. Gary Stacey and girls of Oshawa, also Norma and husband Don and Stephen.

Winners at the Tuesday night Euchres at Lochlin Centre were - lone hands - Kit Schroder, and Isabel Saunders, Laura, Norm Harrison Sr. and Bruce O'Brien and next games here are February 16th.

The Pot Luck Supper at the Anglican Parish Hall last week was excellent and the speaker good, and all enjoyed the slides of local gardens shown by Marion, Hill.

I wondered why my daughter who was visiting me wouldn't let her youngsters be out after dark and she told me her brother-in-law had wolves around his home. Since we are on the edge of a bush lot that must be the reason.

Thursday afternoon card party winners at the Anglican Church this week were - most lone hands - Jack Chilton, high lady - Vera Ward, low lady - Linda Pentney, high man - Jean Sears and low man - Charlotte O'Neill.

Islay and Paul Warburton, Jeremy and Jason of

Toronto visited at my home over the weekend.

Winners at the Club 35 euchre party this week were - door prize - Ken Wallace, most lone hands - Mervyn Bunker, high lady - Betty Culley, high man - Ken Wallace and others - Eleanor Kleinschmidt, Harold Culley and Jim McCarthy.

I was truly amazed one day last week When on my trek, to the library, of course, For my usual read. The school "kids" were out But I was shocked, without a doubt, On hearing those words As they walked down the road. I wondered if parents know What their youngsters show For teachers and such, won't be using those words much.

Jay

Coming events are Permanent Collection of Agnes Jamieson Gallery will be on display from February 10 - 27, after just being at Rails' End. Pancake supper at Minden Anglican Parish Hall, February 16 from 5 - 7. Minden Agricultural Society (sponsors of County Fair) will meet at Marg Miller's home

THE TIMES Page 19 February 9 at 7:30 and preliminary list of 1988 fair will now be available at McMahon Feed, Rails'

End Gallery, Country Fabrics and Crafts after February 12. Gooderham Loop '88 Winter Carnival Wilberforce February 13 and 14. Call 447-2814.

Well Readers: Our snow is going fast. Someone will see a robin pretty soon.

Our service on Sunday evening was held by Rev. J. Burgess and Heather Bowron sang. We enjoyed every bit of it. It was a short hour. Mrs. Oliver helped by playing the organ. On Tuesday we had Rev. Dawn Gilby of the Minden Anglican Church.

Movies Monday night were "A Tale Of Two Cities".

Our Thursday Tea was brought in by the A.C.W. Ladies of the Anglican Church at West Guilford. It was really nice and we enjoyed it very much.

Our sympathy goes to Winnie Barnum on the death of her mother at Kingston.

Birthdays this month are Maggie Gainforth, Ruby Lewis, Marjorie Shuyler and Christena Precoor. Many more is our wish for them.

Many of the folk here are not very well at the present time. Jean Taylor, Edna Cowan, Mrs. Curry, Mary Oliver and Ruby Lewis. We hope they will

soon feel better.

Sorry to report Mrs. Burgess fell and injured her knee. Mrs. Carefoot had Josie Klockhoff in to see her yesterday. I was pleased to meet her daughter Mary Guillemain of Kinmount.

Lily Hogg is not feeling very well also.

Mr. and Mrs. Roy Cameron of Peterborough called on Winnie Barnum twice this past week.

Doris and Linda took a bus load of folks to see the parade at the Carnival. Had lovely lunch on board, everyone enjoyed it.

Hurrah! Our washroom is getting a face lift.

Linda is having tea, coffee and cookies at 10 a.m. on Tuesdays and Friday morning in the tuck shop. We have a chit chat. Everyone is welcome to join in.

As you know our formal dinner is on February 12th.

Until next week. I am sure you have a ready smile, a willing hand to lend. You'll carry on I know you will, and be a little kinder still.

Still Going Strong

It hardly seems like three years, but that is how long it has been since Lochaven Inn with hosts Carla and George Landsperger first opened their doors on Maple Lake, Stanhope Township.

There were a few who were skeptical about the potential of the new resort, but that concern quickly evaporated as Lochaven Inn's reputation for fine food and attentive service attracted a steady flow of clientele.

Looking back to those first few months, Carla and George were embarking on a fresh start, a new beginning. "It is one of the best things that ever happened to us," Carla said. "It was a big challenge when we decided to open another resort, but we look to the positive side of things, we don't wallow in the negative."

With their positive outlook and growing support of new clients and old alike, the Lochaven Inn has prospered and grown over the past three years. "Thanks to our clients, community and neighbours we didn't give up," Carla said. In addition to the regular diners and visitors who make Lochaven their

temporary home in the Highlands, the resort has provided a popular setting for seminars, businesses, social gatherings, parties and weddings.

The secret of Lochaven's success, according to George and Carla, is the attention they lavish on their guests. "We enjoy making people feel good, feel at home. Our reward comes when our customers tell us they'll be back again," Carla added.

"Yes, we're still here after three years," Carla concluded. "Hard work, the right outlook, and a desire to make people feel welcome ... with these going for you, anyone should be able to make it too. Just don't give up!"

LOCHAVEN INN

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

CARD OF THANKS

We would like to thank everyone who helped to make our benefit dance a success. We had a great time thanks to: Haliburton and Minden Valu-mart, Kawartha Dairy, Leitha's Sweets & Treats, Blacks Hardware, The Times, Minden, Haliburton County Echo, Terry Blair of C.C. Printing, Minden Kinsmen Club, Haliburton Legion, the Scottish Country Dancers, Cordell Interiors, Ian Brohm and The Brink. Thank you to all the anonymous donors for your gifts and everyone who attended the dance which helped to make the evening one we will never forget.

Bill, Sue, Christopher, and Heather Little

I wish to thank my good friend Jean Neville and all the ladies who helped to make my shower such a success. Thank you to all who attended and to those who couldn't attend for your thoughtful gifts. My family and I are so grateful for such a continuing feeling of close community support.

Sue Little

We want to thank everyone for coming to the dance and for their donations, in addition to those previously thanked.

Bill, Cindy, Matthew and Corinne Hogg

The Haliburton Snowmobile Club sincerely hopes that all who took part in the trail ride, enjoyed themselves, despite the weather! After a 2 hour ride, they enjoyed an outdoor cook-out! Thank you to the folks of Denna Lake who so kindly helped at the cook-out. Thank you also to Dollo's I.G.A., and Prentice - Berry Ltd. for the "goody" gifts.

CARD OF THANKS

The wife and son of the late Rob't. J. Shaw would like to take this opportunity to thank all relatives and friends who sent in food, cards, flowers, made phone calls, visits and donations. Heartfelt thanks to Reverend Elliott for his comforting message, to Doctor Hartwick for his frank advice, to Extencicare for their concern and consideration regarding our late husband and father, Rob't J. Shaw. A special thanks to sisters-in-law, Pearl and Shirley, and to Janice Shaw who gave the little extra needed to see us through. Thanks sincerely,

Paul and Bernice
